

Just Press Start

F&P SleepStyle has simplicity and comfort woven into its design and function. Every detail was considered to make it easy for you to use.

Quiet, compact and discrete.

The power supply and humidifier have been fully integrated to minimize the space taken up by the device on your bedside table.

Powered by our comfort technologies.

SleepStyle is packed with automated features designed to make CPAP therapy more comfortable. Our world-class humidification delivers comfortable therapy throughout the night.

Easy-to-use water chamber.

One press of a button gives you access to the water chamber.

Simple menu.

We designed the menu to make it easy for you to navigate.

Comfortable, high-performance masks.

We offer a range of Fisher & Paykel Healthcare masks designed for world-class performance, comfort and ease of use to accommodate your needs.
